Dear Parents,
Greetings from the principal's desk!

As we approach the joyous occasion of Independence Day and Rakshabandhan, I want to take this opportunity to express my heartfelt greetings and best wishes to each and every one of you.

Independence Day is a momentous occasion for our nation, as it marks the day when we attained freedom and sovereignty. It is a time to reflect on the sacrifices of our forefathers, who laid down their lives for the cause of independence. As a school, we emphasize the importance of instilling a sense of patriotism and respect for our motherland in our students.

On the auspicious day of Rakshabandhan, the bond between brothers and sisters is celebrated. This unique festival symbolizes love, protection, and the promise of support between siblings. We believe that such values are not only essential within families but also among friends and fellow students.

Let us come together to celebrate the spirit of Independence Day and Rakshabandhan with enthusiasm and reverence. Our school's foundation lies in nurturing not only academic excellence but also compassionate and responsible individuals who will contribute positively to society.

Wishing you all a delightful and memorable celebration!

Kindly note a few very important points as given below: -

1. The School Principal extends a warm invitation to all parents, inviting them to meet between 12:00 Noon to 01:30 PM only. Better it will be for them, if a prior appointment is taken to avoid unnecessary waiting time.

Leave a WhatsApp message or SMS at 9928661121 for prior appointment choosing between three slots:

(A) 12:00 Noon to 12:30 PM

(B) 12:30 PM to 01:00 PM

(C) 01:00 PM to 01:30 PM

1.1 Kindly know why these hours only:

These dedicated hours have been set aside by the principal to personally connect with parents and discuss matters concerning their children's holistic growth. With a committed team of teachers and staff, the principal tirelessly works in classrooms, corridors, and play fields, engaging in teaching, meetings, planning, and executing various initiatives. Your valuable feedback and innovative ideas are always kept in mind as the school strives to create an enriching educational environment.

2. Kindly also note a new norm of reporting children's performance on call by the class teachers: -

In line with your school's mission and vision of nurturing personal growth and development, we've been introduced a new initiative starting from July. On a weekly basis, parents will receive a call from their child's Class Teacher to discuss their ward's performance. To ensure availability, parents are requested to keep themselves free between 01:00 PM to 01:30 PM. The Class Teacher will follow a roll number-wise calling schedule. This communication channel aims to strengthen the parent-teacher partnership in supporting the progress of each student. There will be for rounds of calling in a month as given below:
