(Welcome to April of Aspirations)

(Cir. No.: 01/2026-27)

Date: 02.04.2026

**Dear Parents,
Greetings from the Principal's Desk!**

April ushers in a month of **aspirations**—a time of new beginnings, fresh goals, and renewed enthusiasm as we step into a new academic session. It is a month filled with hope and possibilities, where students set their intentions, embrace new opportunities, and begin their journey with confidence and curiosity.

As the school reopens, our young Doonites are encouraged to cultivate a positive mindset and a readiness to learn. The start of the session provides a platform to build strong foundations, develop meaningful habits, and nurture a sense of responsibility. April is not just about beginning anew, but about envisioning what can be achieved through dedication, perseverance, and a willingness to grow.

The month also focuses on helping students settle into their new classes, connect with peers and teachers, and adapt to new routines with ease. Through engaging classroom experiences and collaborative activities, students begin to explore their potential and align their aspirations with purposeful action.

As partners in this journey, let us encourage our children to:

- **Set Clear Goals** – Begin the year with focus, clarity, and a vision for personal and academic growth.
- **Embrace New Opportunities** – Participate actively in learning experiences and co-curricular activities.
- **Build Positive Habits** – Develop discipline, time management, and consistency from the very start.
- **Stay Curious and Confident** – Ask questions, explore ideas, and believe in their abilities.
- **Foster Respect and Responsibility** – Strengthen values of kindness, teamwork, and accountability.

May this **April of Aspirations** inspire our students to dream big, take meaningful steps forward, and shape a year filled with achievement, growth, and joyful learning.

To strengthen the teacher-parent partnership, faculty members will be available to meet parents during the non-teaching hours from **2:00 PM to 2:30 PM**. These sessions will provide valuable insights into your child's academic progress and personal development.

Strengthening Parent-Teacher Communication

To enhance home-school collaboration, parents will receive **two calls per month** from their ward's **Class Teacher** to discuss their academic progress, well-being, and overall development. These calls will be scheduled as per a roll-number-wise calling pattern. We kindly request parents to be available for these scheduled conversations.

We look forward to a year filled with meaningful learning experiences, personal growth, and unparalleled achievements. Together, as educators and parents, we will continue to nurture the minds and hearts of our students, empowering them to shine in every endeavour.

Why These Specific Hours?

These time slots have been carefully designated so that the principal and faculty members can dedicate the rest of the school hours to classroom teaching, mentoring, planning, and executing various initiatives.
