(Welcome to the October of Values & Virtues)

Cir. No. 06/2026–27 |

Date: 01.10.2026

Dear Parents,
Greetings from the Principal's Desk!

Welcome to the “October of Values & Virtues”

As we step into the “October of Values & Virtues”, let us reflect on the principles that shape character and guide action. As the academic session progresses, let us encourage students to stay focused on their goals while growing into confident, responsible, and compassionate individuals.

October brings important occasions that offer meaningful lessons for young minds. **Gandhi Jayanti** reminds us of Mahatma Gandhi's values of **truth, non-violence, simplicity, compassion, and service**. His life teaches us to stand by what is right, treat others with dignity, and create positive change through our actions.

Dussehra brings the timeless message of the **triumph of good over evil**. It encourages us to overcome negativity, dishonesty, anger, and intolerance with courage, wisdom, and self-discipline.

Valmiki Jayanti reminds us of **knowledge, transformation, creativity, and the power of words**. Maharishi Valmiki's life and literary contribution show how learning and self-transformation can inspire generations.

October also reminds us to practise values in everyday life. **Respect, honesty, empathy, responsibility, perseverance, and kindness** are virtues we build through our choices, interactions, and actions. When knowledge is guided by strong values, education becomes a force for positive change.

To nurture strong values and virtues in every child, we encourage our students to:

- **Practise Integrity** – Be truthful and honest in your words, choices, and actions.
- **Show Courage** – Face challenges with confidence and stand up for what is right.
- **Choose Kindness** – Be caring, helpful, and considerate towards others.
- **Build Self-Discipline** – Take responsibility for your actions, habits, and commitments.
- **Respect Everyone** – Treat people with dignity and appreciate differences.
- **Learn and Reflect** – Learn from your experiences and mistakes and use them to grow.
- **Serve Others** – Look for opportunities to help, share, and contribute to the community.
- **Value Our Heritage** – Understand the messages behind our traditions and carry their positive values into everyday life.

Let us make this “October of Values & Virtues” a month of meaningful learning, reflection, character building, and responsible action. May our students understand that values are principles to practise every day.

Together, let us nurture **Doonites who think with wisdom, act with integrity, face challenges with courage, and live with compassion**. May every learning experience help them become accomplished learners and individuals of strong character.

Wishing all our Doonites a purposeful, enriching, and inspiring October!
